

LANGTONS' AND DISTRICT NEWSLETTER

Lament for the Cuckoo

With climate issues in the news I reflected when I last heard a cuckoo in Church Langton. It must have been the late '90s, up near the church somewhere. According to the journal Nature Communications, Britain has lost more than 70% of its cuckoos in the past 25 years. Has anyone heard a cuckoo this season anywhere? Do let me know.

**Summer
Edition
2019**

Someone did get in touch with me about King Charles Well following an item in the Spring edition. I shall be following this up in the Autumn Edition. *Roy Folwell*

A Summer of Events

We have a plethora of events in our area again this summer, so much so, I thought it'd be handy to have a summary—enjoy!

Saturday **25th May** Macmillan bike ride p13

Tuesday **11th June** VISTA Eye Advice bus p20

Friday **14th June** Langton Community Hall Film p19

Saturday **22nd June** Church Langton School Fete p16

Sunday **23rd June** Village Picnic p21

Saturday **29th June** Heroes & Heroines Talk p7

Sunday **30th June** St. Peter's Roof Dedication p6

Sunday **30th June** Blaston
Show p5

Wednesday **10th July** Guided Tours of St. Peter's p10

Wednesday **10th July** Talk & Demonstration p10

Friday **12th—14th July**

Langton Beer Festival p12

Sunday **4th August** Churchyard wander p10

Friday **9th August** Langton Community Hall Film p19

Monday **26th August** Village Cricket Final p21

Leicester Morrismen

Wednesday 3rd July

7.45pm Tur Langton: The Crown

8.45pm Thorpe Langton: The Bakers' Arms

THE LANGTON ARMS

STARTS 9TH MARCH
SATURDAY & SUNDAY
9.30-11.30AM

Come and sample the excellent cake and scones at ***very reasonable prices.*** Cakes also available for purchase.

Volunteers to help very welcome.

REPORT FOR St. Peter's, Church Langton AGM

FABRIC

The last twelve months have been very significant in the life of St. Peter's. Having secured the grant of £97,000 from HLF through the sterling work of Project Leader, Roz Folwell, we were able to instruct the contractor, Prestige Metals to begin work on the Aisle roofs in October. Prior to this, the Heritage Lottery Project Launch was held on 28th September, many people were personally invited as well as an open invitation to parishioners from the three villages which St. Peter's serves. The event was very well attended both Roz and Architect, Brian Martin addressed the audience regarding obtaining the grant and the work involved. Refreshments were served. Work to both aisle roofs proved to be very straight forward and we were able to renew the chancel roof as well which was completed by March. Works to repair the boundary walls on the North and East are still at the planning stages, with further reports awaiting. The PCC will issue full details as soon as possible.

WORSHIP

Services have been held every week in St. Peter's, unless a fifth Sunday Benefice service. There has been a rota of nine retired Clergy conducting Eucharist services, also Evangelist, Paul Hall and Lay Reader, Maxine Johnson leading worship on the second Sunday with morning service. Canon Chris Oxley offered to lead worship on the fourth Sunday on a regular basis; this started in January. He also led the Lent Course. St. Peter's was blessed with the presence of Bishop Martyn, Bishop of Leicester who presided over Maundy Thursday service. We continue to have the services of Norman Austin and Ann Wood to play the organ one a month. We are indebted to Keith Folwell who not only plays the keyboard twice a month but also steps in to play when either Norman or Ann are unable to do so. We have a very small pool of organists to call upon and therefore greatly appreciate Keith's commitment to play for us. Over the last year, there has been two Baptisms and one Wedding.

FUNDRAISING

St. Peter's witnessed a most amazing concert last May when the West End of London came to Church Langton. This was organised by Peter Oppenheimer and his team the 'Village People. However, a team from the Church was very active in making sure that this was a success! Thanks to Eric and Miriam Williams. Roz Folwell organised Concorde & Canapes evening, with a talk by former Senior Pilot, John Hutchinson. She also organised the Archaeological talk, the talk by Historical Society, the Barn Dance and the WW1 Concert. Max Dodd organised the Drawing Day. Thanks to all who helped and assisted in these events. Last but not least, at the end of the Cream Tea season, Betty Morley stepped down after being involved right from the start over twenty years ago. A special 'Tea' was held for her in the Church.

St. Peter's Church Heritage Projects

Now the capital work on the roofs has been completed the next phase is the heritage projects. The purpose is to involve the public in exploring and explaining the interior and exterior of the church and the churchyard.

LOTTERY FUNDED

We have three groups, including the school, leading these projects. The launch of the leaflet interpreting the church will be on Wednesday 10th July. Look out for the explanation on the churchyard gates on how to contribute to the churchyard exploration and join us in a churchyard wander. Please come and join us.

Event dates are:-

Wednesday 10th July—11.00am guided tour of the church
2.00pm “ “ “ “ “

7.30pm Illustrated talk & demonstration by the architect and contractor on their findings and how the steel and lead were worked to reroof the church.

FREE, but donations towards church roof welcome.

This event is part of the Festival of Archaeology 14th—29th July

Festival leaflets are available in all museums and libraries—find an event near you.

www.leicsfieldworkers.co.uk/latest-news/festival-of-archaeology/

Sunday 4th August—2.00pm churchyard wander

Join our Parish Wardens, Katie & Melissa and explore the flora, fauna and grave-stones in the churchyard.

Sunday 15th September—2.00pm guided tour of the church

Sunday 22nd September—2.00pm “ “ “ “ “

This event is part of the Nat. Trust Heritage Open Days 13th-22nd September

East Langton Parish Council Annual Parish Meeting Report

Again, it has been another busy year for the Parish Council. Our main achievement has been the ‘Making’ (the legal term for formally adopting) of the Neighbourhood Plan last June.

This was a long process begun in 2013. I would like to take this opportunity to thank the previous and current Parish Councillors and Clerks; John Preston, James House, Suzie Imber, Darron Stretton, Robin Johnson, John Loney, Martine Browne, Heather Munro and Alison Gibson. I would particularly like to thank Gary Kirk and his associates for advising and guiding us, and writing the Plan. Also Matt Bills from Harborough District Council, and all the Parishioners who attended the Consultations, commented on and turned out for the vote on the Plan.

Planning Applications and Appeals still come to us regularly. Notably the Approval of Outline Planning for 17 houses behind Thornton Crescent submitted by Langton Homes on land owned by the Brudenall Estate. This will be the largest build in the Parish since the council houses in the 1960’s. Harborough District Council ensured the number of 4 and 5 bedroomed houses were reduced and replaced with smaller social housing, shared ownership Affordable houses and bungalows, all much needed in the Parish.

The Appeal of the Application for 5 houses and a children’s play area made by Granger’s on behalf of the Diocese at the back of Old School Walk, has just been refused by the Inspector. His decision that an Open Space for Sport and Recreation, rather than for housing, is particularly important now, given the increase in housing. The responses to the Application from the village were commented on.

The annual £2,495 from Lightsource, the installers of the solar panels at Thorpe Langton, has contributed to two defibrillators and a memorial seat on The Green, Church Langton. One defibrillator has been installed at the school and planning permission has been received for one beside the Parish Noticeboard on the wall of The Bell public house. The awareness training was well attended last May and it is hoped to hold another session when the second defibrillator is installed.

The cost of the seat was subsidised by Harborough District Council and will be dedicated, probably on Remembrance Sunday. We are still looking for more ideas for community projects we can use the Lightsource money on.

The highways and footpaths continue to be monitored by the Parish Council. The wording has been painted on the Thorpe Langton road, warning of the school bus drop off point. Councillors are repeatedly reporting pot holes and damage to signs to Leicestershire County Council Highways for repair. Again we are grateful for residents reporting issues to us.

Alison Gibson, our Clerk, has been instrumental in assessing the assets the Parish Council own – the war memorial, bus shelter, water pump, three seats and two noticeboards. The ownership of the village green Church Langton, by the Parish Council, has been verified and consequently the 5 trees on it. The trees have had some branches removed to allow the mowers to go under. However, it transpires the cost of the mowing will now be transferred from the County Council to the Parish Council. Work to repair and maintain the seats, noticeboards, pump and bus shelter will be undertaken. We would be grateful if parishioners would contact the Parish Council if they find any problems with these items.

Looking to the year ahead, the continuation of the 44 bus will be decided by the County Council in June. Thank you to all who contributed to the Consultation. The Parish Council will be surveying the footpaths to ensure vegetation is cut back. A litter pick, led by our Tree Warden, Katie Fox, last weekend produced 12 bags of rubbish and we are pleased that both our Heritage Wardens, Melissa Heslop, and Katie Franks are involved with the Heritage Lottery Fund activities as part of the grant application by St. Peter's to raise money to replace the roofing that was stolen.

We are planning to site 4 litter/dog bins at the gateway to the field on Old School Walk and on Church Causeway by the bus stop and post box, Church Langton; and at the entrances to the Foxton and Thorpe Langton footpaths on Back Lane, East Langton.

Our next big task is to work with parishioners to establish an Emergency Plan. We are seeking parishioners with equipment and skills that we could call upon should we have an emergency.

I would like to take this opportunity to thank our Clerk and Parish Councillors for their hard work and support over the year. I would especially like to thank Gary Kirk for his considerable contribution over the last 6 years. He has decided to step down as Parish Councillor, therefore we have a vacancy. As you have heard this is a very active Parish Council who are keen to represent your interests and improve our Parish. If you would like to join this friendly, enthusiastic group of Councillors please let us know.

Roz Folwell, Chairman East Langton Parish Council

Opera visit

Year six were lucky enough to obtain tickets to the Royal Opera House in Covent Garden this half term. They watched a contemporary opera called *The Monstrous Child* by Gavin Higgins, which was adapted by author Francesca Simon from her own novel. Puppetry and the inspiration of the Norse landscape contribute to the theatrical spectacle about Hel, the daughter of Norse God Loki and the giantess Angrboda. The class were delighted to have the chance to experience an art form that many had not encountered before. We also followed this up with an arts project where the children created shadow puppets of gods and acted out elements of the opera.

Year Four residential

A regular highlight of the year is the residential trip that year four enjoy at Rock UK in Irthlingborough. The three day trip involved the children taking on a range of challenges, including raft building, the nightline walk and abseiling. During their assembly to the rest of the school and parents the children shared their favourite elements with the King Swing being mentioned regularly. The experience of being raised up in the air to gain a fantastic view of the valley before the swinging down was a big achievement for many. The trip also involved a number of sessions based on bible stories including Above and Beyond, learning about the work of a charity who support remote communities around the world. A great residential trip for the class, thank you to the staff who gave up their time to run the trip.

Art projects

We have been looking at cities, buildings and houses in our Art lessons this term. Each year group has worked on their own project and have experienced working with a variety of medium. Year 1 created colourful paper collages of a cityscape and year 2 painted and collaged skyscrapers based on a painting by Georgia. O Keeffe.

Year 3 have been busy drawing LS Lowry industrial scenes and making 2D cardboard houses. They also made beautiful clay houses that can be used as tea light holders. Year 4 made 3D cities out of boxes, each house had windows carpets and furniture. It was year 5s turn to have Art and Design technology enrichment, making WWII Anderson shelters with a wooden frame constructed by the children. This involved sawing wooden doweling and gluing the frames together.

Year 6 designed and built outrageous and fun 3D model chairs, their creations involved using a broad mix of materials from wire and mod rock to textiles and sparkles!

Tony and Iris Retire

Tony Spencer, accompanied by his wife Iris, has hung up his keys as Premises Officer of the Langton Community Hall after 14 years of sterling work. A presentation of theatre vouchers was made by the volunteer Trustees of the Community Hall at the Bell, East Langton. Left to right, Tony, Roz Folwell, Chair John Loney, Maxine Johnson and Iris.

Book Review

The Lost Man by Jane Harper

This fantastic thriller is set in the Australian outback. The plot revolves around the Bright family and the isolated community nearest to their family cattle station Burley Downs where the three Bright brothers grew up.

The book opens with the discovery of the body of Cameron Bright, the middle one of the three brothers. He is found by the headstone of another long dead victim of the unrelenting Australian climate. No one can understand why Cameron (an experienced farmer) would abandon his car and walk to his death in the fierce deadly heat of the outback. Food and water supplies are untouched in his abandoned vehicle.

What follows is a gripping read. The book is about much more than uncovering the murderer. It shows the reader how life is experienced in the outback and how this could lead someone to commit murder. You can feel the heat on your back even on a grey day in England. J L

Welcome to the 2019 cricket season

Langtons Cricket Club, Main Street, East Langton

Dear Neighbour

Last year saw the first year of corporate sponsorship and the ability to pay social membership by BACS. It was also the year the wicket was upgraded, the boundary fence repaired and the club house toilets refurbished. This year we are planning further refurbishment of the club house, inside and out.

After 15 years as Chairman of Langtons Cricket Club, Simon Pollard is stepping down and a new Chairman will be voted in, taking over for the 2019 season. The whole village owes Simon a huge debt of gratitude for his endless support and I am sure he would be delighted to join you for a drink at the club house bar. Simon will no doubt be taking on a new role within the club!

We are also delighted to announce a new patron of the Club; Jeremy Snape, former Captain of Leicestershire County Cricket and England player.

Please can I ask you all to help us by renewing your social membership by the end of April, and if you have any spare time or resources please do come along and help at the club house on Saturday mornings from 10am in April while we do various jobs to improving the club house.

Social Membership prices are:

£12 per person, children under 12 are free

£10 per person for families of 4 or more (paying together)

BACS to Langtons Cricket Club, Sort Code 20-63-66, A/c; 43319970 with your name and post code as a reference. Cash to Clare Freer The Forge, East Langton or Mark Williams The White House, East Langton

17th May – Village cricket

2nd June – Presidents Day & Sponsors Tea

21st June - Village cricket

23rd June –Village Picnic

12th July – Village cricket

19^h July – Village cricket

26th August - Village Cricket Final

Please save these dates in your diary, the village cricket and social events depend on your support and input – we look forward to welcoming members old and new for this season's village cricket and social events.

Kind Regards,

Simon Pollard; Chairman, Langtons Cricket Club
